WHAT IS BIRDS AUSTRALIA?

Birds Australia is a non-profit organisation working for the enjoyment, study and conservation of Australia's birds.

The WA group of Birds Australia has members statewide and offers a variety of activities for members, including conservation and research projects. Activities and services include excursions, camp-outs, bird surveys and social activities. We also have a library, books for sale and information about birds.

To view our current activities, or books for sale, visit our website on www.birdswa.com.au
