WHAT IS BIRDS AUSTRALIA?

Birds Australia is a non-profit organisation working for the enjoyment, study and conservation of Australia's birds.

The Western Australian members of Birds Australia are state-wide and are offered a variety of activities and services including conservation and research projects, excursions, camp-outs, bird surveys and social activities.

We also have a library, books for sale and information about birds.

To view our full range of bird guides and bird lists, visit our web site.
