Western Australia

# Birds of Norseman

Number 34b in a series of  
Bird Guides of Western Australia

This is a record of bird sightings within a 50 km radius of the Norseman township and the Peak Charles area.

Please report sightings of birds not on the list to the WA group of Birds Australia (address below).

### **WHAT IS BIRDS AUSTRALIA?**

Birds Australia is a non-profit organisation working for the enjoyment, study and conservation of Australia's birds.

The Western Australian members of Birds Australia are state-wide and are offered a variety of activities and services including conservation and research projects, excursions, camp-outs, bird surveys and social activities.

We also have a library, books for sale and information about birds.

To view our full range of bird guides and bird lists, visit our web site.
